

## Planned fishing areas:

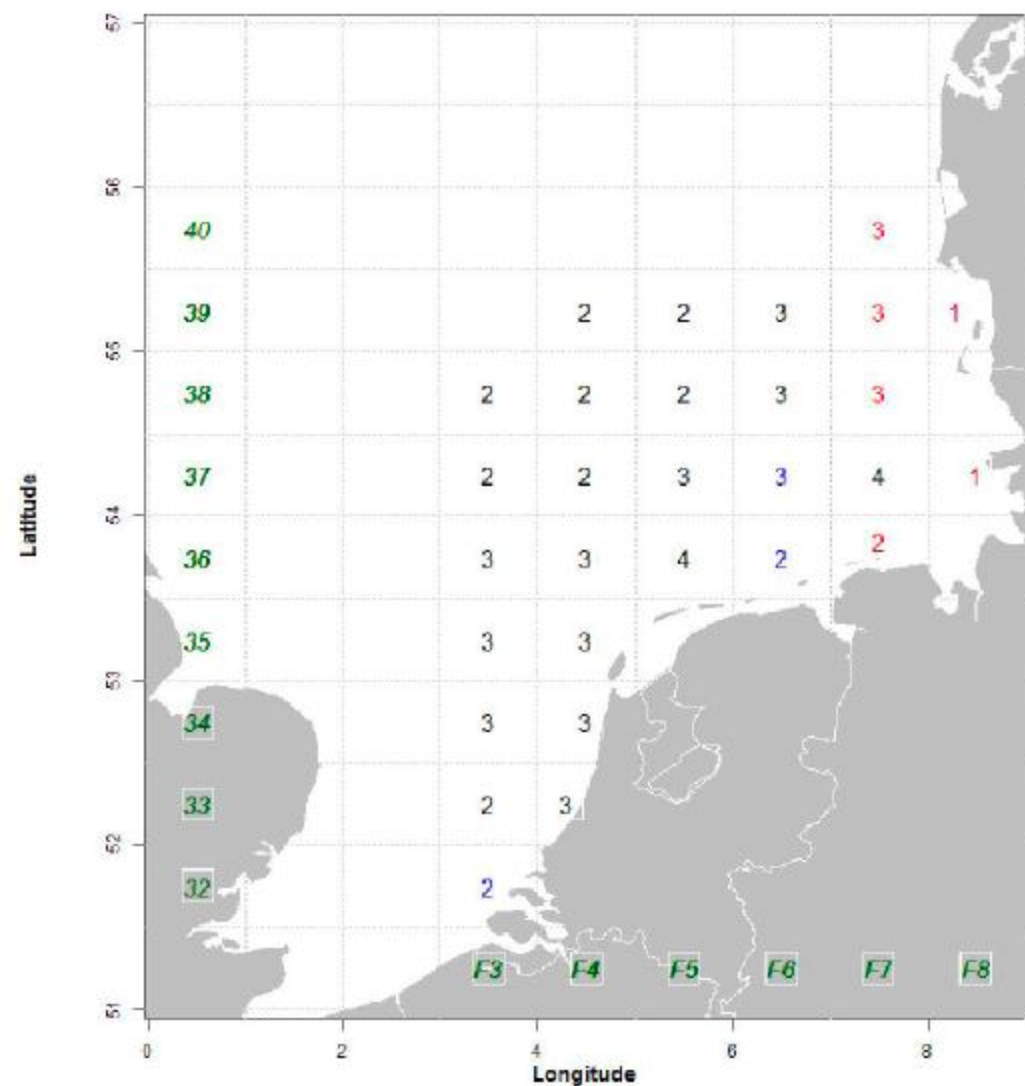

Figure 1a. Planning BTS Netherlands, week31-33. Numbers represent the number of hauls, black=30 minute tows, red=15 minute tows, blue=towing duration may be limited to less than 30 mins due to circumstances.

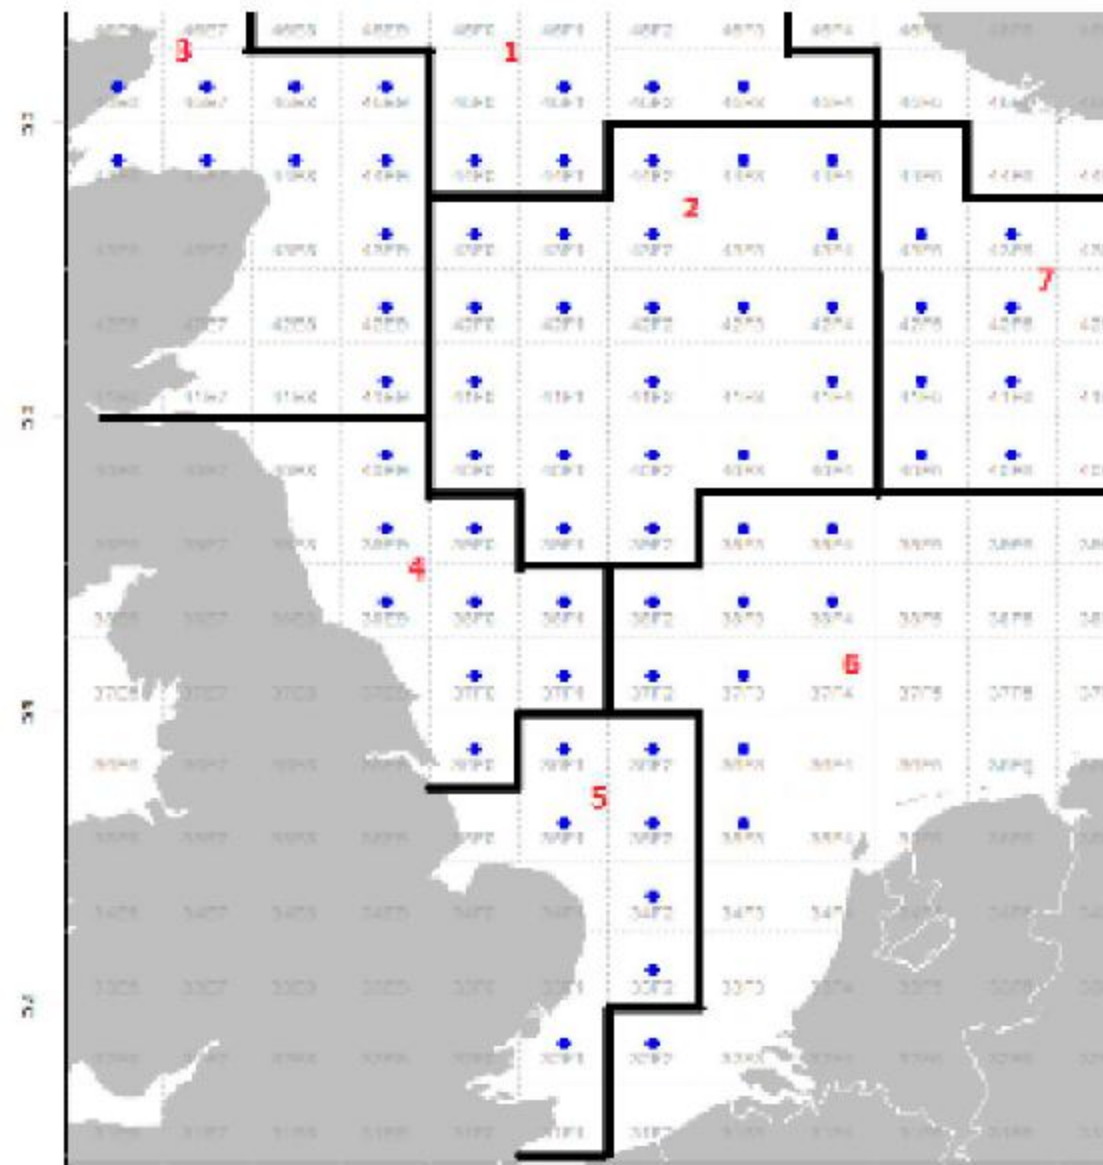

Figure 1b. Planning BTS Netherlands, week34-37. Blue dots represent one haul, red numbers define areas for biological data collection (within the bold lines). Bold lines represent areas for biological data collection.
